Introduction

Welcome to SWAN XII. The evolution of trauma care in the last two years, never mind the last decade, has been tremendous. SWAN XII will provide visionaries from around Australia, New Zealand, Asia/Pacific and the Northern hemisphere. SWAN is an effervescent mixture of learning, education, knowledge and entertainment all aimed to present an affordable meeting for those who deliver trauma care.

Trauma has become such an important issue in our day-to-day lives that it is essential that we advance trauma to optimise delivery of care. I am very appreciative of the main sponsors of this meeting and trust that you have an enjoyable two days.

Michael Sugrue

Director of Trauma Services, Liverpool Hospital

Objectives

Provide a clear understanding of key issues for Trauma Care in:

- Diverse Disaster Settings
- Complicated Bony Problems
- Recent Advances in Medical Technology
- Managing Tricky Problems
- Back to Basics
- Advancing Australasian Trauma Care

Car Park 1

Car Park 2

Transport

Liverpool Hospital is easily accessible from the city by train or taxi. The journey takes approximately 50 minutes. Alternatively you can book into one of the hotels/motels listed under accommodation.

Liverpool is 33kms from the city; about 50 mins by train and 45 mins by car. It costs approximately AUS \$60.00 by cab one way.

Car Parking

There are two parking stations at Liverpool Hospital. The underground car park is located below the Thomas & Rachel Moore Education Centre, Corner of Goulburn & Elizabeth Streets. The multi-storey car park is located at the Corner of Campbell & Forbes Streets, Liverpool.

Phone: 61 2 9822 4211 6.30 am to 9.30 pm approx. \$12.00/day
