Introduction

What a great pleasure it is to welcome you to your dynamic SWAN XV Trauma interaction. This year's programme will emphasise the importance of teamwork in helping bring the team together. We hope your knowledge will be enhanced by this two-day meeting. Sharing over 10 International Speakers is an honour. This year the international faculty includes 1 paramedic, 2 nurses, 1 emergency physician and 7 surgeons to help bring it all together. Every year major advances occur in trauma care and if you miss SWAN XV you will fall behind.

Michael Sugrue, Convener

Objectives

Improving patient outcome in the following key issues:

- Prehospital care
- Bringing it together
- At the frontiers
- Myths in trauma
- Minimising complications in trauma
